

ORCHARD STAND® PEACH

Tasting Notes

Orchard Stand Peach tastes like succulent summer peaches — gently juicy with bright flavor. You get all the ripe, refreshing peach, without the fuzz. Bonus: a drizzle of light honey notes on the finish.

Vinification

Orchard Stand wines are made with high-grade honey, finished with 100% natural fruit flavor that transforms the honey wine into a showcase of flavor so real you'll think you are eating the fruit itself.
