

Tasting Notes

Oliver Apple Pie features tart, crisp apple, soft vanilla, and comforting notes of cinnamon, brown sugar and nutmeg. Aroma is of warmth and gentle, sweet spice — bottling the kitchen on Thanksgiving morning.

Vinification

- We use our state of the art winemaking facility to capture the flavors of our freshly pressed apples. Apples are literally pressed by our apple suppliers one day before fermentation begins.
- We cold ferment the apple juice and arrest fermentation at just the right time.
- Our winemaking processes are designed to be as gentle on the fruit as possible.

Sources

Midwest apples

Blend

The blend of apples varies from batch to batch, but generally includes: Ida Red, Jonathan, Golden Delicious, Red Delicious, Empire, and Gala apples.
