

Bubblecraft® White

→ Tasting Notes

- Fresh, fun, and fancy.
- Floral aromas and gentle tropical flavors.
- Delightful balance of sweetness and acidity.

→ Winemaking

The Niagara grape is known for its handsome, showy appearance, and intense, fresh grape flavor accented by soft notes of honeysuckle. Chilled stainless steel fermentation retains natural sweetness.

→ Food Pairing

Serve chilled and enjoy with poultry or pork dishes, light cheeses, fruit, or rich pastries and cakes.
