

Creekbend III

Creekbend Vineyard • Estate Bottled • 2017

→ Tasting Notes

- Bright, remarkably peach flavors with a hint of lychee.
- Fresh pineapple aromas and tropical flowers.
- Rich mouthful and delightful, lasting finish.

→ Vinification

- Various white varieties were barrel fermented on an experimental basis in hopes that a nice blend would develop.
- The result of those trials is a blend of barrel fermented Vignoles and Vidal Blanc along with stainless steel fermented Chardonel.
- Barrel fermenting the Vignoles and Vidal Blanc portions created a fuller body and oak characteristics such as toast and vanilla.
