

# Blueberry Moscato

## → Overview

Light and lovely, semi-sweet Blueberry Moscato has been an Oliver Winery tasting-room favorite since 2015. It's the second of our experimental Pilot Project series to "graduate" into the Vine Series Moscato trio.

## → Tasting Notes

Deep, flavorful Blueberry juice is brought to life by Moscato's tropical character and natural bubble. This is a refreshing, easy-to-drink semi-sweet wine. The wine's light, low-alcohol style is a crowd-pleasing change of pace that appeals both sweet and dry palates.

## → Winemaking

No added natural or artificial flavors or colors are used to craft this wine – simply our award-winning blend of Muscat Canelli and Muscat Alexander and the juice of ripe blueberries. A touch of bubble is the perfect finish.

## → Pairing

Serve this wine extra cold or over ice, and pair it with light meals or lakeside snacks. We keep a bottle chilled to enjoy just about any evening — after the sun is tucked away for the night.
